

A FIRST FLIGHT PROGRAM

## SPONSORSHIP OPPORTUNITIES

### - **Service Provider Custom Sponsorship, \$10,000**

For this sponsorship, there is branding exposure for the sponsor AND access to Hangar6 for clients of service provider sponsors. Service providers are able to identify specific clients to refer for design consulting and trial visits to Hangar6. Full benefits for one year include:

- Access to Hangar6 annually for 10 clients. Each client would receive 1-hour design advice from the Shop Manager and two visits to Hangar6 with supervised access to equipment, a \$250 value.
- Company description, name and link on Hangar6 and First Flight websites
- Company description, name and link on orientation/welcome kit for new members
- Speaking role at Hangar6 "Meet Ups". Topics presented must be educational in nature, relating to prototyping professionals
- Opportunity to participate in the Program for Hangar6 members at annual get together and distribute collateral
- Social media exposure through Facebook and LinkedIn (monthly)

### - **Naming opportunity for Safety Briefing, \$5,000**

Every new member receives a safety briefing and we offer to name the briefing for a sponsor. This initial exposure to members often comes at an early stage when companies need multiple services. Full benefits for one year include:

- "Your company name" Safety Briefing. Incorporated into orientation briefing given to new members.
- Company description, name and link on Hangar6 and First Flight website
- Company description, name and link on orientation/welcome kit for new members
- Speaking role at Hangar6 "Meet Up". Topics presented must be educational in nature, relating to prototyping professionals
- Opportunity to participate in the Program for Hangar6 members at annual get together
- Social media exposure through Facebook and LinkedIn (bi-monthly)

\* First Right of refusal renewal for 1 additional year at \$4,000.

**- Naming opportunity for specific Equipment, \$5,000\*.**

Hangar6 precision prototyping equipment, welding shop and woodworking shop are excellent for company branding. Full benefits for one year include:

- "Your company name" on a particular piece of equipment.
- Company description, name and link on Hangar6 and First Flight website
- Company description, name and link on orientation/welcome kit for new members
- Speaking role at Hangar6 "Meet Up". Topics presented must be educational in nature, relating to prototyping professionals
  - Opportunity to participate in the Program for Hangar6 members at annual get together
  - Bi-Monthly social media exposure through Facebook and LinkedIN

\* First Right of refusal renewal for 1 additional year at \$4,000.
